Memorandum To: Prospective Bidders

CERTIFIED MAIL

From: Michael C. Lovell *Michael C. Lovell*
Senior Assistant District Engineer

WBS Elements: 43028.3.1

Subject: Addendum #1 to Two Foot Widening with Safety Edge on SR-1152 (Pigott Rd) in Brunswick County

The subject contract proposal contains the following addendum:

1. Contractor shall perform all road widening operations with a widening milling machine. Excess material shall be removed immediately and shall not be wind rowed or stockpiled on site. Contractor shall properly dispose of milled shoulder material. Payment for this item shall be considered incidental to other contract bid items.

Should you have any questions or need additional information, please let me know.
